Stunning GCSE results as pupils excel in subjects across the curriculum

Year 11 pupils at Bryntirion Comprehensive School have again been rewarded for their hard work by achieving a great set of results.

- An incredible 50% of students achieved A*/A grades
- A superb 59% of students secured the 'gold standard' 5 or more A*-C grades including the new reformed English and Maths/Numeracy qualifications
- 66% of students gained an A*-C grade in English
- 74% of students achieved an A*-C grade in Maths
- 65% of students secured an A*-C grade in Science

10 students achieved 10 or more A*-A grades, 18 students achieved 8 or more A*-A grades and a magnificent 32 students achieved 5 or more A*-A grades.

The wide range of achievement across the full breadth of GCSE subjects highlights the excellent range of subjects on offer to students to suit their varied interests and abilities.

Outstanding A Level Examination Results

Bryntirion enjoyed a record set of A level results. Congratulations to our students for their hard work, achieving such an outstanding set of results. A record number of students will be moving onto University and we wish them every success!
