

RELIGIOUS EDUCATION

AIMS

- ◆ To facilitate a pupil's search for meaning and purpose
- ◆ To encourage attitudes of respect, tolerance and sensitivity for those who hold beliefs different from their own
- ◆ To promote an awareness of the pupil's own experiences of life and religion and those of others
- ◆ To develop a knowledge and understanding of religious belief and practice today
- ◆ To develop through a reflective approach, appropriate skills for exploring, responding and expressing

ASSESSMENT

Pupils are assessed regularly by formal assignments as well as homework tasks. Examinations are set at the end of the Summer term for Year 7, 8 and 9.

Pupils in Year 9 will have a National Curriculum Level reported based on teacher assessment throughout Key Stage 3.

EDUCATIONAL VISITS

The social and cultural dimension of religion is recognised as having an active part to play in our society. Educational visits to local churches, synagogues, mandir and the mosque are a natural part of learning about religion as a way of life.

Senior pupils also have the opportunity to visit the Imperial War Museum, London to view the Holocaust exhibition and a visit to Prague/ Poland to see the concentration camps.

Teaching is supplemented with guest speakers and an extensive collection of religious artefacts.
