7th February 2018

Dear Parent/Guardian

Shortly, our students in Year 11 will be asked to nominate the subjects that they hope to study in Years 12 and 13 at Key Stage 5. Their choice needs to reflect their strengths and interests, but also their career aspiration too. It is such an important time in their progression.

To ensure that they make their choice optimally, Year 11 students and their parents are invited to attend an Options Evening on Thursday, 15th February 2018 at 5.30pm. Subject leaders will offer talks focusing on the nature of their subjects at this level and their expectations too, a particularly important need given recent changes to the A level specifications. The talks will be repeated at the times listed overleaf to enable students and parents to visit up to five departments if they choose. The information on offer will supplement and explain some of that which will be published in the Key Stage 5 Options Booklet.

The school has carefully planned the evening in an attempt to maximise student and parental understanding. You are warmly invited to attend and we look forward to meeting you again during the evening.

Yours faithfully

Mr N Brain
Headteacher
