MEET THE NEW HEADTEACHER - MR PAWAR

Our new Headteacher, Mr Pawar, will be delighted to meet parents at this year's 'The Year Ahead' meetings as part of his introduction to the whole school community.

ACCESS TO THE SCHOOL SITE

In the interest of pupils' safety, we would ask parents not to drive onto the school site at the end of the school day:-

Afternoon: between 2.45 - 3.20pm - no access

THE NEW PARENT APP

Easy Access to Important School Information

We will be introducing a convenient new way to share information with parents about their child's school life. From October, you will be able to access our new parent app. You can have access to the system from a smartphone, tablet or PC - anytime, anywhere.

What you will find in the new Parent App:-

- School term, inset dates and contact details available at a click of a button
- Access to update your contact details, so we always have the most up-to-date information in case of an emergency
- If you have more than one child at school, you will have access to information for all your children from the same app.

The information that you will receive through the app will help you stay up-to-date with your child's school life as well as support your child's development and progress.

School Theme

The graphic on the left displays our current school theme.

We are encouraging pupils to take responsibility for planning their future careers and how they are going to achieve this. The school will be supporting this process by bringing in external speakers and agencies to inform them of the opportunities open to them.

The school aims for every pupil to achieve their career ambitions.
