WELCOME BOOKLET LLYFRYN CROESO

Croeso i Ysgol Gyfun Bryntirion

MR MEAD - HEADTEACHER

Welcome to Bryntirion Comprehensive School, I am delighted you will be joining 'Team Bryntirion'.

This booklet has been designed to help you get ready to start at Bryntirion. It includes a lot of useful information including a map of the school, how to be 'Team Bryntirion', school uniform requirements, outline of the school day, what to expect on your first day, school meals, subjects and clubs.

You can also make yourself familiar with members of our staff, photographs provided, and you will meet lots of staff during the transition days being held on Friday 26th June and Monday 29th June.

After reading this booklet and attending the transition days, I am are sure that you will very excited to join Bryntirion in September.

Enjoy the summer holidays and prepare yourself for a busy time ahead.

**MRS SIDOLI
ASSISTANT HEADTEACHER
HEAD OF TRANSITION**

**MRS POOLE
HEAD OF YEAR 7**

**MISS PRITCHARD
ASSISTANT HEAD OF YEAR 7**

Remember, we are always here to help you.

Map of the School Site

The school will probably look huge when you first come to visit, you might even think that you will never find your way around, but after a few days you will get to know the place. Just in case you need it, we have included a map of the school. Every room is clearly labelled with the block you are in and then the room number, e.g. D5. Your timetable will tell you the room you will have your lesson in.

=====

Entrance Steps

MOVEMENT AROUND THE SCHOOL

You will be moving classrooms 5 times a day. At Bryntirion, we expect sensible, safe and considerate movement around the school.

- Always keep to the left
- Walk at all times, never run
- Be courteous to staff and other pupils
- Always get to lessons on time
- The bells are to indicate the start and end of a lesson

BE READY

Be punctual
With correct equipment
Wearing correct school uniform
Complete homework

BE RESPECTFUL

Yourself
Teachers
Peers
"One Voice" in the classroom
Follow instructions
Maintain focus and concentration

BE SAFE

Respect the school environment
Phone (not seen or heard)
No eating, only water
Never leave the classroom without permission
Use technology responsibly and safely

BE SUCCESSFUL

Positive activities for wellbeing
Demonstrate perseverance and resilience
Display confidence
Take responsibility
Maintain positive relationships

BE READY

Be **punctual** to all form time sessions and timetabled lessons.

Always bring the necessary **school equipment**, including pens, pencils, ruler, calculator books, and specific lesson equipment.

Always wear the **correct school uniform**.

Complete **homework** and meet homework deadlines consistently.

BE RESPECTFUL

Always be **polite and respectful** towards all staff and fellow pupils; never make hurtful or unkind comments to others.

Adhere to the class **seating plan**.

Listen to others (staff and pupils) when they are talking; respect the "**One Voice**" rule.

Follow the teacher's **instructions** the first time they are given.

Work with **focus and concentration**, completing tasks to the **best of your ability**, and never distract others.

BE SAFE

Respect the **school environment** and equipment within it.

Ensure your **phone** is away in your bag during lessons (**not seen or heard**).

No eating in class and **only water** can be drunk in lessons.

Never leave the classroom **without permission**.

Use technology **responsibly** and **safely**.

BE SUCCESSFUL

Participate in positive activities to support your **wellbeing**.

Demonstrate **perseverance and resilience** to overcome challenges.

Display **confidence** in working independently, sharing ideas with others, seek support when needed and embrace new opportunities.

Taking **responsibility** for your academic and personal goals.

Build and maintain **positive relationships** with peers, teachers, and the wider school community.

School Uniform

Distinctive Clothing Awards

The school, through the Local Education Authority, makes financial allowances to some pupils attending school, subject to eligibility by assessment, towards the cost of distinctive school clothing.

Hair and General Appearance

- Pupil's hair must be a natural colour—examples of acceptable colours include shades of brown, black, blonde, or auburn. Unnatural colours such as bright blue, pink, green, or purple are not permitted.

- Pupils are permitted to wear natural or neutral make-up, pupils are not allowed to wear excessive make-up. (including - eye lashes/make up accessories).

- Nails should be of a neutral or non-bright colour, and must be kept at an appropriate length to ensure pupil safety.
- In line with school rules, long hair must be tied back during PE lessons and when in science laboratories and technology rooms to ensure pupil safety.

Jewellery

- Pupils may wear small plain studs in each ear lobe and one small stud in one side of the nose.
- All jewellery must be discreet and in keeping with the school's standards for appearance.
- Excessive jewellery, including large earrings, other facial piercings, or decorative facial jewellery, is not permitted.
- No Rings to be worn.
- All jewellery must be removed in any lesson or club where it poses a health & safety risk to the pupil.

Supplementary information

In order to assist parents and guardians when it comes to purchasing uniform, we have added a number of photographs to show our uniform as we would ideally like it to be worn. These will enable parents and guardians to make informed choices about trouser styles and acceptable skirt lengths.

Tailored black skirts with the length coming to just above the knee.

White shirt, school tie and jumper, with tie done up neatly.

Tailored trousers, not too tight, made of appropriate material.

Black, low heeled, polishable shoes.

Suitable examples of shorts and skirts

THE SCHOOL DAY

08:40 - 09:00	Registration/Tutor Time
09:00 - 10:00	Lesson 1
10:00 - 11:00	Lesson 2
11:00 - 11:20	Break Time
11:20 - 12:20	Lesson 3
12:20 - 13:20	Lesson 4
13:20 - 14:00	Lunch
14:00 - 15:00	Lesson 5

It is advised that pupils strive to be in school for 8.30am to attend registration at 8.40am. The above school day structure is correct at the time of publication but is subject to change should the need arise in the current climate.

YOUR FIRST DAY

Your first day will be spent as follows:-

- Meet with Mrs Poole, Head of Year at 8.40am in the Sports Hall in block E.
- Your Form Tutor will then take you to your form class to prepare you for the week ahead. You will be given your personal timetable and your Form Tutor will answer any questions that you may have.
- Follow timetable given during form time for lesson 3 onwards
- Return to form room at 2.45pm to meet with Form Tutor to share how your day has gone.
- **You will only need to bring a school bag, pens, pencils, rubber, sharpener and ruler on the first day. You will not need PE kit.**
- Once you have been issued with your timetable you will only need to bring PE kit on the days when you are timetabled to have PE.

QUESTIONS & ANSWERS

Here are answers to some of the questions that you might have about joining Bryntirion in September.

What do I bring on the first day?

You will need a bag, pencils, pens, rubber, sharpener and ruler. You will also need sandwiches or money loaded onto your cashless catering account to use the canteen.

Do I need any books?

No, you will not need any books. Your subject teacher will give you the books that you need.

What happens if I lose my things or don't have any money on my cashless account?

Go to your Head of Year or school reception and they will help you.

Will I be in the same class as my friends?

You might not be in the same class as all your friends, but you will certainly be with some of your friends.

What if I get lost?

Any teacher or older pupil that passes you will be pleased to help. There is also a map in this booklet.

What if I have to leave school for an appointment or I am absent through illness?

If a child is absent from school, parents/carers should contact the school via the ClassCharts 'Absence reporting' system or telephone by 8.45am on the morning of the absence. This system can also be used to notify the school of any appointments throughout the school day, for full details please refer to the Attendance Policy. It is very important that you copy up all the work that you have missed as soon as possible. Parents/carers will be invited to join ClassCharts in September.

What if I feel ill during school?

If this happens during lesson time, tell the teacher who is taking your lesson and they will call for a duty officer. If this happens during break or lunch go to see your Head of Year. Please **do not** contact your parent yourself, a member of staff will do this on your behalf.

What if I am unhappy in school?

Speak to your Form Teacher or your Head of Year who will be happy to help you.

SCHOOL MEALS

DINNER LADIES

Our school has many helpful and friendly dinner ladies who work during the lunch break.

THE FOOD

Lunchtime, the canteen offers three types of meals:-

- Main Track (main meals)
- Fast Track (fast food)
- Green Track (salads sandwiches etc)

The prices are very reasonable.

BREAKFAST BAR

In addition to lunch, there is a breakfast bar at break time. This offers a variety of snacks. These bars are in D and E block canteens.

MENUS & PRICES

Current menus and prices can be viewed on the school website under letters to parents. Menus and prices will be updated for September 2026.

CASHLESS CATERING SYSTEM

We use a cashless catering system to provide students and staff with a faster, more efficient and appealing meal service. On your first day you will be given a code to use in the canteen.

Parents/carers will be invited to join this system before you start in September. They will be given a code to load money onto your account via the Bridgend County Borough Council website 'Pay It' system (helpful carbohydrate counting menu also available on this site). Money needs to be loaded before midnight to show on your account the following day. Those pupils eligible for free school meals will receive a daily allowance on their cashless account. **You are able to view the balance on your account via the revalve machines on the school site and pass this information on to parents.**

Alternatively, you can bring your own packed lunch. This can be eaten outside or in the canteen.

CURRICULUM FOR WALES

Four Purposes

The national Curriculum for Wales outlines its Four Purposes of Education, enabling learners to become: ambitious and capable learners; enterprising and creative contributors; ethical and informed citizens and healthy and confident individuals.

These Purposes inform the design of our own, bespoke curriculum, marrying them with the individual ambitions, interests and potential of every student at Bryntirion. We believe that our responsibility under the Four Purposes is to ensure that students acquire powerful knowledge, understanding and skills to become confident members of society. The curriculum supports our young people to become kind, hardworking individuals, who embody our school values.

Curriculum

At Bryntirion, pupils are taught in subjects. This is because subjects matter. They have an important body of knowledge and specific skills and belong to a rich tradition that is unique to them. For students to think critically and to form their own opinions, it is necessary to have something to think about. We therefore value a knowledge-rich approach, delivered by expert teaching staff. Our curriculum is broad and balanced, providing a wealth of learning across disciplinary subjects, and embraces all the mandatory elements: study of English and Welsh; the three Cross-Curricular Skills (numeracy, literacy, digital competency); Relationships & Sexuality Education; Religion, Values & Ethics; Careers and Work-Related Experiences and this is underpinned by a clear emphasis on the central importance of developing pupils' integral skills.

Progression and Assessment

Our curriculum is structured to ensure that all pupils make progress in their learning as they move through the school, informed by the national Principles of Progression. To support pupils' progress and monitor the effectiveness of our curriculum, we adopt a number of assessment practices. Ongoing '**formative**' assessment activities are those that arise as part of the learning experience in lessons. Teachers assess pupils' understanding and recall during lessons and adapt their teaching or future teaching plans to ensure progress for all. In addition, to identify progress over time and to enable us to evaluate our practice and curriculum, we conduct more infrequent, substantial '**summative**' style assessments through rich tasks.

Implementation & Review

Our curriculum is not fixed: it is subject to constant review and reiteration. Robust self-evaluation of our curriculum and requires participation from not only our teaching staff, but also from parents/carers, governors and pupils. The curriculum will grow, as we endeavour to meet the needs of our pupils and the challenges that lie ahead of them.

SUBJECTS

ART & DESIGN

This is a subject that provides pupils with a wide range of learning experiences using a variety of mediums, materials and techniques to explore and produce pieces of art work. You will be introduced to different career pathways within the Creative Industry and learn how to work to commissioned briefs and become independent learners.

ENGLISH

You will read all kinds of stories, poems, plays and media articles. As well as this, you will develop your own skills as a young writer. You will have the chance to debate, analyse and create different literary masterpieces!

FRENCH

In the course of the year, pupils in Year 7 will learn about France and the French speaking world. You will engage in small playlets and conversations in French about yourselves, your families and friends. As they say in France - "Bienvenue à Bryntirion".

GEOGRAPHY

Our curriculum is focused on **enquiry learning** and interpreting the world in which they live. In Year 7 students investigate 'Sense of Place' in their local area before going onto a world investigation of their choice. They then go to develop their map skills where creativity and innovation will be tested.

HISTORY

History is delivered through enquiry-based learning. Our thematic enquiries encourage pupils to work as historical detectives, using a wide range of evidence to answer 'big questions'. 'History through Big Questions' enhances pupils' learning by deepening thinking and so develops critical thinking.

ICT/COMPUTER SCIENCE

In ICT/Computer Science you will learn how to use the Microsoft platform including Teams, One Drive, Outlook and the Microsoft Office apps. You will develop your digital competency to ensure that you use computers safely and efficiently - this will be of benefit to you in your other subjects and eventually the world of work. You will also be introduced to some of the important ideas related to Computer Science and will undertake projects to develop your skills and knowledge in this area.

SUBJECTS

MATHEMATICS

In this subject you will learn many new mathematical skills and develop ones you already have. As well as this, you will be taught to investigate and use I.T. to aid your understanding of mathematics. It will be hard work, but it will all add up to great fun!

EXPRESSIVE ARTS

In expressive arts you will develop performance skills holistically through playing and singing a variety of music. You will have the opportunity to enhance your skills in drama lessons with devising and acting tasks. You will learn to compose and you will listen to and discuss a variety of musical styles. There are opportunities to learn a new instrument, to sing in the school choir and to take part in our school show.

PHYSICAL EDUCATION

Physical Education in Bryntirion will transition from a game and activity centred approach to a more skills-based learning environment. Pupils will develop holistically to create healthy and confident individuals, providing positive and lifelong learning experiences, helping shape the health and wellbeing of an individual for life!. Physical Education impacts the learner long after they leave school. In partnership with the Active Young People Department (BCBC), there are opportunities for pupils to follow a Leadership Pathway to become Young Sports Leaders and go on to follow a Young Ambassador Program.

RELIGION, VALUES & ETHICS (RVE)

This is an exciting and relevant subject where you will investigate the World's faiths, cultures and how we integrate and work with people of different faiths. This is a life-long learning process.

HEALTH & WELLBEING

This subject provides an opportunity to discuss personal and social experiences from healthy relationships to healthy lifestyle choices.

SUBJECTS

TECHNOLOGY

In Year 7, you will be learning lots of new skills and technical language and developing your understanding of designing and making and in Year 8, you will use that knowledge to be more independent, develop critical thinking and problem solving skills. Projects have links with the environment and healthy living.

SCIENCE

The importance of science in our modern world cannot be overstated. Developments in these areas have always been drivers of change in society, underpinning innovation and impacting on everyone's lives economically, culturally and environmentally. As such, science will be increasingly relevant in the opportunities young people encounter and the life choices that they make. Pupils will learn how to enquire, investigate and develop an understanding of key scientific concepts throughout their time at Bryntirion"

WELSH - Croeso!

Year 7 will study the Welsh language including its history and literature. Learners will engage with languages and literature in order to help them develop, not only their own sense of identity, but also an understanding of their own culture and communities. Pupils should gain confidence using their language skills through a variety of reading, writing and oracy tasks. Pupils will have the opportunity to engage in educational visits to Llangrannog in Years 7 and 8 and perform in the School Eisteddfod. At Bryntirion, pupils should enjoy speaking Welsh and celebrate the many opportunities that the Welsh department has to offer. Joiwch!

SPORTS & GAMES

There are a number of sports available at Bryntirion Comprehensive School. During the Winter, rugby and football are the main sports for boys and netball and hockey are the main sports for girls. Matches are played against other schools. During the Summer, athletics and tennis are enjoyed by both boys and girls. Bryntirion also has its own swimming pool which is in regular use.

DYSGU BYW

Dysgu Byw is an experience in the Year 7 curriculum that translates to “learn to live”. It offers you the opportunity to develop skills for life and work, alongside developing your ICT skills. Themes will include ‘My safety’, ‘My community’ and ‘My future’. During the course pupils will develop their learner effectiveness by completing tasks including creation of a personal revision timetable, consideration of skills for future careers, learning sign language, developing a spreadsheet for financial planning and reflecting on and resetting targets for your learning and progress. Lessons are interactive using a wide range of packages, introducing you to skills which will benefit you in other subjects and eventually the world of work.

MY HEALTH CHALLENGE

The ‘My Health’ challenge has a focus on the purpose ‘Healthy Confident Individual’ and takes place in the summer term. The challenge is cross-curricular in nature and involves multiple departments with the objective to produce a concept for a healthy drink. You will be working in teams based on your school house and will receive inputs from English, Maths, Science, PE, Art, Health & Wellbeing, Dysgu Byw and through year group assemblies. The challenge will involve you collating together your cross-curricular knowledge and developing your skills through the decisions you make, your teamwork and your presentation.

BIG BOCS BWYD

Bryntirion Comprehensive School has a range of pre-loved school uniform available in our Big Bocs Bwyd, located upstairs in E Block.

The Bocs will be open on both Transition Days:

Friday 26th June 3 - 3.30pm

Monday 29th June 3 - 4pm

Please feel free to pop by and browse our selection of uniform items, which include shirts, jumpers, PE kits and a limited range of coats. We hope to offer this service at regular intervals throughout the school term. Any donations of good quality pre-loved uniform, PE kit, shoes, trainers, coats and rucksacks are always welcome, and this can be left at Reception at any time during school hours.
