Dear Parent/Guardian

RE: SUBMISSION OF OPTIONS FORM

Thank you to everyone who attended the options evening. I hope you found it informative and helpful.

As mentioned on the evening the final options form will be completed online via a Microsoft form. The link to this form is now available below. For those experiencing difficulties a paper version of the options will be available on request.

The form needs to be completed by Friday 17th April. However it can be completed at any point up until that date. It is important that only **one** form is submitted per pupil. To this end the final submission has to be accurate. If in the event a pupil wishes to revise their options after submission then please contact me directly. There is an overview of the options form on the next page to help.

Finally, I wish to thank you for your ongoing support in this process.
